Category: Metro Published: Sunday, 03 November 2013 19:55 Written by From Alemma-Ozioruva Aliu, Benin City Hits: 49

UNKNOWN gunmen on Saturday reportedly killed a pastor, Philip Afemikhe of the Christ Apostolic Church (CAC), Oregbeni in Benin City, the Edo State capital.

Eye witness account Sunday said the gunmen stormed the residence in hoods and first attacked a neighbour with her daughter and collected their mobile phones before breaking into the pastor's room through his window.

They destroyed the pastor's window and removed the burglary before gaining entry into his room where they allegedly shot him.

The gunmen, according to the source, did not take anything from the room after the shooting, which left the man in a pool of his blood and bloodstains across his room and window.

When contacted yesterday, the state Police Public Relations Officer, Moses Eguavoen (DSP) said the police were yet to be officially briefed on the matter. "But by tomorrow (Monday), we will get the full signal an other details"
