The Guardian gathered yesterday that the suspected robbers met their Waterloo on Friday evening when they attempted to rob a popular businessman, who sells frozen foods in cold rooms in Ibillo in Edo State and Idoani in Ondo State.

Popularly known as Digsy, the businessman was said to have been a frequent victim of robbery attacks in the axis, as he was always trailed from Ibillo Market, which he frequently uses and then passes through the Aiyegunle-Ugboshi-Aieyteju axis to Ondo State.
