IT was painful celebration as a young man, Uche Ohiri, from Ikeduru Local Council of Imo state, turned this year's Christmas and New Year festivities into tragic one to the members of his family and friends.

himself.

The Guardian was informed that the United States- based man had invited some select youths to enjoy themselves at his country home for his arrival before the unfortunate incidence.

It was gathered from family sources that Ohiri's gun suddenly exploded as he was arranging to shoot it in celebration of his kinsman's safe return, only to shoot himself, shatter his head and die in the process.

A family source confirmed that the body was later deposited at a nearby morgue in the area.
