Troops Kill Four Terrorists In Fresh Borno Ambush

From Njadvara Musa,
Maiduguri

TROOPS of Operation
Lafiya Dole have killed
four terrorists in a fresh am-
bush to clear remnant of
Boko Haram insurgents
fleeing Sambisa Forests in
Borno State.

The insurgents were killed,
while rummaging for logis-
tics and food, as their
sources were blocked by
military, which captured
the forest last year for occu-
pation.

The Deputy Director, Public
Relations of Theatre Com-
mand, Col. Onyema

Nwachukwu, in a state-
ment, yesterday, said 47
jerry cans of petrol were
also recovered.

He said the insurgents
were desperate for food
and logistics, when they
met their Waterloo.

He disclosed that four sui-
cide bombers, comprising

a male and three females
were also neutralised at a
checkpoint near Muna
Garage of Maiduguri.

He noted that 18 persons
were injured in the simul-
taneous multiple blasts
and that the injured had
been taken to hospital for
treatment.
