

## Gunmen Kill 2, Injure Others In Zamfara Market Attack, Say Police

**T**HE Police Command in Zamfara yesterday confirmed the killing of two persons after some gunmen attacked a market in Karakai village in the Bungudu Local Government Area of the state.

Police Public Relations Officer (PPRO) for the com-

mand, Muhammad Shehu, said this in a statement he issued to journalists in Gusau yesterday, adding that the incident occurred on Thursday evening at the Karakai market.

"There were sporadic gun shots by unknown gunmen at the market; we recorded

the death of two persons while three others were injured. During the attack, the police team at the market could not exchange fire with the attackers to avoid further loss of lives and property. However, the attackers used the crowd as human shield to escape

from the scene. Normalcy has been restored with patrol teams keeping vigilance in the affected environs."

"Investigation has commenced with a view to fishing out and arresting the perpetrators of the attack," he said.
