

## Three Kano Varsity Students Die In Auto Crash

From Murtala Adewale, Kano

THREE students of Kano University of Science and Technology (KUST), Wudil, died yesterday in a fatal road crash at Tudun Gusau village in Takai Local Council, about 35 kilometres from Kano.

They are: Yaseer Mouham-mad, 200 Level in the De-

partment of Architecture, Farouq Bello Gadanya, a second year student in Biology Department and Ahmad Baba Suleiman of Animal Science Department, also a second year student.

The sad incident, which involved five students of the institution occurred at about 7p.m. on Friday night, when

one of them, who drove a Peugeot 206 lost control and rammed into an oncoming moving vehicle on the two-lane highway.

Two reportedly died on the spot, while the third gave up at Aminu Kano Teaching Hospital. The other two that survived with injuries are still under medical care at

Murtala Muhammad Specialists Hospital, Kano.

When contacted, spokesperson of the university, Abdullahi Datti Abdullahi confirmed the development.

He said: "One of the students that sustained injuries was discharged and released to his parents."

nations (UN) Undersecretary, Mr. Vladimir Voronkov and

back in the country on Tuesday.
