

## One killed In Niger State Tanker Explosion (2)

THE Niger State Emergency Management Agency has confirmed the death of one person, while 10 others were injured in a petrol tanker explosion at Dikko-junction on the Abuja-Kaduna Expressway.

The Director General of NSEMA, Alhaji Ahmed Inga told the *News Agency of Nigeria* in Minna, yesterday, that

the incident occurred around 10:30 p.m. on Friday night, and also resulted in the burning of several vehicles.

“We received a report from Suleja that there was a tanker explosion and many people were affected. We cannot give the actual number of people that lost their lives. We will confirm that during our assessment; but from the report, one person died in the incident.
