

Multiple accident claims two lives in Ilorin

journalists during a review of military operations from September 25 to October 7, 2020 that several structures housing the terrorists and their logistics items were destroyed.

2 IN Ilorin, Kwara State, an accident involving four vehicles has claimed the lives of two junior secondary students.

Besides, four persons reportedly sustained injuries during the crash at

Gaa Odota area, along Ilorin'Ogbomoso road, opposite Alade filling station.

The deceased, who were said to be standing by the roadside, were crushed to death by one of the vehicles.

A witness disclosed that a speeding tipper loaded with sand rammed into a commercial vehicle that was loading passengers along the road, which hit two other vehicles and a tri-

cycle.

Commander of the Federal Road Safety Corps (FRSC) in the state, Jonathan Owoade, attributed the crash to excessive speed.

Owoade said nine persons were involved in the accident, adding that relations of the deceased had claimed their corpses.

Officers and men of FRSC rushed the injured to Geri-Alimi Hospital, a few metres away from the scene of the incident, he added.
