

# Man dies in a well

From **Murtala Adewale**, Kano

**A** 65-year old man, Isah Ah-Amadu Kamilu, was yesterday found dead in a well at Rano-Subuwar Unguwa village in Rano of Kano State.

Spokesperson of the state fire service, Malam Ibrahim

Musa, who confirmed the incident, said the body of Kamilu was discovered in the well by his neighbour.

Musa said the service received a distress call around 8:35a.m from one Mallam Saidu Dahiru, alerting the agency of the incident.

“We responded immediately. Our officers in Rano were mobilised to the scene. On arrival, we discovered it was a man named Isah Amadu Kamilu who fell inside a well. We rescued him unconscious but he later died”.
