**B**ARELY four days after killing three Greenfield University students abducted last Tuesday, two more students have been confirmed killed by their abductors.

Disclosing this yesterday evening in Kaduna, the Commissioner for Internal Security and Home Affairs,

Samuel Aruwan, said the university had been informed of the development.

Though, the students' identities were not disclosed, the commissioner said their bodies had been evacuated to a mortuary.

He said: "On a sad note, security agencies have just reported to the Kaduna State Government the recov-

ery of two more dead bodies of Greenfield University students, killed by armed bandits, on Monday, April 26, 2021. The retrieved corpses have been evacuated to a mortuary, and the university has been notified of the development.

"The Government of Kaduna State under the leadership of Nasir el-Rufai is saddened by this evil perpe-

trated against innocent students abducted while pursuing their education for a glorious future. The government sends its deep empathy to their families and the university management, and prays for the repose of their souls."

He added that the government would update the citizenry on further developments.
