

Delta police hunt for killers of Nollywood actor

From **Monday Osayande**, Asaba

DELTA State Police Command is on the search for killers of Mr. Emma Buchi, a Nollywood actor, whose decomposing corpse was found in his apartment last Friday in Asaba, Delta State capital.

Spokesperson for the Command, Bright Edafe, yesterday, told *The Guardian* in Asaba, that the police are investigating the matter to fish out the killers, adding that they have visited the scene on Monday to remove the corpse for necessary ac-

tion.

"Presently, we are investigating the incident. Although the personal Assistant, PA, to the actor is being suspected, we cannot presume him guilty until proven so.

"If the family says they suspect the PA, then we will do our investigation. We are on his trail, because he is on the run," Edafe said.

Edafe stressed that no arrest has been made in connection with the incident, but assured that the police will not rest until the killer is found.
