The Federal Capital Territory (FCT) Police Command has arrested a 23-year-old man, Iliyasu Mohammed, for allegedly murdering his friend, Safillahi Muhammad, in Dantata Village, Abuja.

Spokesperson for the command, SP Josephine Adeh, said officers responded to a distress call at about 1:30 p.m. and found the victim lying in a pool of blood with multiple cutlass wounds. Muhammad was rushed to a hospital but was pronounced dead by the doctor on duty.

Adeh disclosed that investigations revealed Mohammed, an ex-convict, had invited the victim to his home, served him food, and attacked him mid-meal. During questioning, Mohammed admitted to the crime and confessed to being part of a criminal gang led by a suspect known as Hassan, who is currently at large.

Adeh stated that authorities are actively tracking other gang members who fled the scene, adding that Mohammed will be charged in court upon the conclusion of the investigation.

The FCT Commissioner of Police urged residents to remain vigilant and report suspicious activities to law enforcement.
