

Five Feared Dead In Akure Auto Crash

Five persons were fear dead in a motor accident at the Owena end of the Akure-Ondo highway, on Tuesday evening, when two cars ran into each other headlong.

The two cars-a Honda Accord salon car, marked Lagos AX 685 KTU, and a Datsun salon with registration number Lagos JD 11 AAA, were damaged beyond repair.

However, the identity of all five occupants of both vehicles, who died in the accident, could not be ascertained as at press time.

Eyewitnesses told Daily independent that the accident occurred due to over speeding on the part of the Honda Accord car and for the fact that the road was very slippery because of the heavy down pour in the area at the time of the incident.

People from the near by village besieged the accident scene to help remove some of the mangled bodies from both vehicles, using axes and cutlasses to remove parts of the cars.
