Robbers Kill Anti-riot Police, Three Others In Ogun

By Segun Adeleye
REPORTER, Abeokuta

Armed robbers struck again at the old Toll Gate in Ogere, Ogun State, on Thursday, killing one anti-riot policeman and three others.

The incident, which took place along the Lagos-Ibadan Expressway, was reported to have claimed the life of the policeman, whose wife was said to be pregnant, and three passers-by.

A resident of the town who spoke to our correspondent on the

telephone on condition of anonymity, disclosed that the robbers operated unchallenged for about one hour.

Our source added that the robbers arrived in the area in a bus and two cars, brandishing guns and dispossessing other motorists of their valu-

ables.

The policeman was reportedly shot severally by the robbers, who assumed he had come to disturb their operation, while the three dead civilians were allegedly hit by stray bullets.
