The accident involving a KIA Saloon car with registration number GL 362-AAA, Lagos and a motorcycle, took place along Ihumudumu Road at about 7.p.m.

It was gathered that the car, which was moving towards Iruekpen, collided with the motorcycle that was moving at the opposite direction.

Daily Independent also learnt that the car which was on top speed, lost control, somersaulted severely and killed the motorcycle rider and the male and female passengers.

Two occupants of the KIA vehicle also died instantly, while the driver was left in critical condition and was rushed to the Irrua Specialist Teaching Hospital, from where he was later referred to the University of Benin Teaching Hospital.

When our correspondent arrived the scene, the badly damaged car was met upside down and was blocking the road, thereby causing heavy traffic jam.
