One killed, three others injured in auto crash

By Chibuzor Emejor
CORRESPONDENT, Abuja

FEDERAL Road Safety Corps (FRSC) said one male adult lost his life, while three others got injured in an auto crash on Ibadan-Ijebu-Ode Road on Sunday.

According to the release on its Website on Sunday, the FRSC said the auto crash which involved a Canter Pick up, occurred at Ladol Junction, which is about 10 kilometres away from Ibadan.

It noted that injured victims have been conveyed to Ibadan Central Hospital, Ososami, for immediate medical attention, while the corpse of the victim has been deposited at Adeoyo Hospital, Ibadan.

In a telephone interview with the Deputy Corps Public Education Officer, Bisi Kazeem, he confirmed that there was traffic gridlock on Ibadan-Lagos and Abuja-Lokoja Expressway, adding that FRSC personnel have brought the chaotic situation under control.

Kazeem decried the actions of top government officials with siren blowing vehicles who flout road traffic rules and regulations, pointing out that some of them were stopped and delayed by the men of the FRSC on the roads as part of punitive measure taken against them.
