

One Dead, Many Injured As Tricycle Hits Jumia Dispatch Rider

A passerby lost his life when a tricycle rider and a Jumia dispatch rider had collided along Adeniyi Jones Road in Ikeja on Monday.

According to a statement from the online marketers, their dispatch rider was involved in the accident with

the commercial tricycle rider, leading to the death of the passerby, whose name could not be ascertained as at the time of going to press.

The statement read: "We are heartbroken to report that a number of people were injured and a passerby lost his life when the

tricycle rider hit him as a result of the accident. Our thoughts and prayers are with the family and friends of the deceased.

"We are working hand-in-hand with the police in determining the exact sequence of events, as investigations are still ongoing."
