ASABA – There is fear in Ugbolu/ Illah Community, Oshimili North Local Government Area, Delta State, as bodies of three persons suspected to have been killed by herdsmen were found.

It was revealed on Tuesday that the bodies of the victims were mutilated beyond recognition making it difficult for members of the Ugbolu community to identify when they accompanied men of the Illah Police Division to the scene.

Residents of the area disclosed that the particular axis has become a flashpoint for herders and kidnappers in executing their evil acts.

Director General, Young Nigerian Rights Organization, Comrade Victor Ojei, who visited the crime scene, lamented, “We can now see reasons with the executive chairman of the local government gave marching orders for everyone illegally occupying the bushes in any part of the local government to vacate with immediate effect or face the full wrath of the law.”

“We certainly cannot fold our arms and watch our brethren have their lives cut short by evildoers. Truly, enough is enough”, he declared.
