LAFIA – Unknown gunmen on Tuesday stormed the house of Salisu Usman Maku, the elder brother of Mr. Labaran Maku, the former Minister of Information, killed one and abducted two members of his family.

A family member who preferred anonymity told newsmen in Lafia, the state capital, that the gunmen invaded their house at Gudi village of Akwanga Local Government Area (LGA) at the early hours of Tuesday killed their sister and kidnapped their brother and his wife.

The source said the gunmen who were well armed shot sporadically which led to the death of their sister and kidnapped their brother who is an officer with Nigeria Immigration Service and his wife.

When contacted, Comptroller of Immigration in the state, Zainab Lawal, confirmed the kidnap of their staff, Salihu Usman and his wife.

She said, "Nigeria Immigration Officer (NIS) Superintendent Salisu Usman and his wife had been abducted at gunpoint."

All efforts to speak with Commissioner of Police to confirm the incident proved abortive as he did not respond to calls and text messages.
