UGHELLI – A lifeless body of a 45-year-old man identified as Agadagba Alaka was reportedly recovered after a sex romp with an unidentified sex worker at Ughelli, Delta State.

The deceased was said to have slumped and died after a marathon sex in a hotel within the Ughelli metropolis.

It was said that his companion fled the hotel room minutes after discovery that her sex client had died.

A source said the hotel receptionist who after the expiration of the one hour allotted to him went to the room he booked for and discovered that the door to the room was half-opened.

She then entered and found only the lifeless body of the man while the sex worker had fled the scene.

The source who pleaded anonymity said, she raised the alarm prompting the hotel management to report the

case to the Ughelli Police ‘A’ Division.

Also, a police source who preferred anonymity told Daily Independent that they were ruling out murder case, adding that they were suspecting health challenges which could have resulted from over-dose of sex stimulant drugs.
