Two herdsman, one Adamu Ibrahim male, seven years and Jubril Ibrahim, male, 15 years, have been killed by suspected assailants, who invaded the Fulani herdsman camp at Ukwuachi Forest in Ishieke community, Ebonyi Local Government Area of Ebonyi State.

Another two were injured and are currently receiving treatment at Alex Ekwueme Federal Teaching Hospital, Abakaliki.

The Fulani camp was invaded at about 9pm on 28th September 2020 by the hoodlums while they were

asleep.

The situation has made the residents to desert the area to evade police arrest.

It was gathered that one Ado Ibrahim, a Fulani herdsman, who reported at Ishieke police Division identified the victims as his grand children.

The state Police Commissioner, Philip Maku, has condemned the killings, and urged for calm.

The CP, who visited the area, has ordered a full scale investigation into the incident.

This was contained in a statement signed by the state police spokesman, DSP Loveth Odah on Tuesday evening,
