**ABEOKUTA** – One of the six victims of tanker explosion on Tuesday in Abeokuta, the Ogun State capital, gave up the ghost in the early hours of Thursday at the Federal Medical Center (FMC), Idi-Aba.

This brings the fatality figure to four as three deaths were recorded on the spot of the fire incident.

Three burnt victims were taken to the FMC while three other were taken to the Ogun State general hospital, Ijaye, also in the state capital.

According to a statement from the management of the hospital, the 42 years old male deceased was presented with 96% flame burn injury.

In the statement signed by the Public Relations Officer of the Center, Segun Orisajo, the deceased and two others were commenced on intravenous fluid resuscitation in accordance with the established protocols for the management of burns.

The statement further said that the deceased was to begin dialysis after difficulty in passing urine but died before the exercise could commence
