The Peoples Democratic Party (PDP) has said it's alarmed by the gruesome murder of the Senior Special Adviser on Security to Benue State Governor Samuel Ortom, AIG Christopher Dega (rtd) by gunmen in Jos, Plateau state capital.

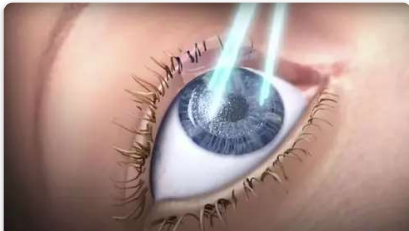

The PDP, which condemned the murder of AIG Dega (rtd), described it as barbaric as well as ominous, given the recent attempts on the life of Governor Ortom by terrorists and bandits, marauding various parts of Benue state.

The party, in a statement by its spokesman, Kola Ologbondiyan, described the slain Dega as a very patriotic Nigerian and dutiful aide, who gave his all in the service of "our dear fatherland and his home state, Benue."

The PDP charged the police to immediately go into action and follow the leads to apprehend and bring the assailants and their backers to justice.

The party also called on President Muhammadu Buhari to take decisive steps to end the activities of terrorists and the administration's body language and overt failure.

The PDP commiserated with Governor Ortom, the Dega family as well as the government and people of Benue state and prayed God to give all the fortitude to bear this sad episode “in our national life.”
