A middle-aged man simply identified as Okpako has reportedly died during a sex romp with his wife's sales girl in an hotel along Odibo Extension in the Igbudu area of Warri, Delta State.

Daily Independent gathered that the incident occurred on Wednesday.

It was gathered that the deceased, who is the chairman of Mile 2, Igbudu Market, allegedly consumed some sex enhancement substances before the romp.

It was also learnt that the sales girl alerted the work-

ers of the hotel about the incident, but they could not revive the deceased.

It was further gathered that the deceased was rushed to a nearby hospital in the area where medical personnel confirmed him dead on arrival.

The deceased had been dating the girl for sometime before the unfortunate incident.

The girl was detained by the hotel management and handed over to police operatives from 'B' Division in Warri.

When contacted, Police Public Relations Officer (PPRO), DSP Bright Edafe, confirmed the incident.
