Gunmen Kill Three Policemen At Ebonyi Checkpoint

Gunmen have killed three policemen on Monday night at a checkpoint in front of Ezillo Police Station along Enugu/

Abakaliki Expressway in Ishielu Local Government Area of Ebonyi State.

It was gathered that the policemen mounted roadblock

on the expressway doing stop-and-search operations when the gunmen struck.

The gunmen, who attempted to gain access to the prem-

ises of the Ezillo Police Division, were, however, repelled by the officers on duty.

The corpses of the slain policemen were said to have

been deposited at a mortuary in Abakaliki after they were confirmed dead by doctors.

When contacted, the Police Public Relations Officer, DSP

Loveth Odah, confirmed the attack but did not give details of the casualty, adding that reinforcement had been drafted to the area.

She assured that the command would give details of the attack.
