About seven passengers have been feared dead along Andre road in Maiyama local Government of Kebbi State yesterday.

An eye witness, Abubakar Sadiq who was on his way back to Kebbi from Koko, told Leadership that the ghastly motor accident occurred following an attempt by a small starlet vehicle trying to overtake a vehicle in its front.

Abubakar further told Leadership that as the starlet over took the vehicle in its front, its tyre got burst and suddenly the driver lost control and crashed into an incoming vehicle leading to the death of all the seven passengers in the car.

The incident according to Leadership findings had caused traffic obstruction on the road for several hours until the intervention of FRSCN to clear the road.

When contacted about the incident, the State Public Relation Officer of the Federal Road Safety Commission in Kebbi State, Baba Musa confirmed the incident but however did not ascertain the number of the deaths as according to him some have been taken to hospital.
