A factory worker in Ogwashi-Uku near Asaba, Delta State, met his death after he allegedly engaged in oral sex with a commercial sex worker in the area.

Leadership gathered that the man, (names withheld), was said to have gone down on the commercial sex worker after having sex with her, following which he started throwing up and was rushed to a nearby hospital where he died.

Unconfirmed reports have it that the late factory worker while alive, had a preference for oral sex.

The landlord of the deceased who spoke with

LEADERSHIP on the condition of anonymity, alleged that the commercial sex worker may have poisoned the man, saying she fled the scene unnoticed immediately the incident occurred.

It was also gathered that no fewer than six men have died in similar circumstance recently.

The police spokesman in the state, ASP Lucky Uyabeme, who confirmed the death, said the body of the factory worker had been deposited at the General Hospital, Ogwashi-Uku, for autopsy adding that the police is on the trail of the suspect.
