

# Luxury Bus Kills Motorcyclist, 2 Others In Delta

BY KOLA NIYI-EKE, Asaba

Tragedy struck Sunday evening along the Benin-Asaba expressway when luxury bus belonging to a popular transport company crushed a commercial motorcyclist and two others at the boundary between Edo and Delta State.

Eyewitnesses said the motorcyclist came out of the road in the adjoining community and veered out of his way and the luxury bus driver who was on high speed heading towards Onitsha tried to brake on seeing him but was too late and crushed the mo-

torcyclist and two others by the road side.

LEADERSHIP gathered that the bus driver after crushing the trio, lost control of the vehicle and ran into some trees before the bus was brought to a stop.

An official of the Federal Road Safety Commission (FRSC), who spoke with LEADERSHIP on the condition of anonymity, said the bodies of the deceased had been deposited at the mortuary of Abudu General Hospital while the driver of the luxury bus was taken to the Okhuae Divisional Police Station for interrogation.
