Gunmen suspected to be robbers, Tuesday night, reportedly killed three persons along the Ughelli-Asaba Expressway.

LEADERSHIP gathered that the victims who were heading towards Ughelli from Ogwashi-uku had a flat tyre near Ughelli and stopped to change the tyre, when they saw the armed men, who shot them at close range when they tried to raise the alarm about the presence of the robbers.

Police spokesperson in the state, DSP Celestina Kalu who confirmed that there was a robbery operation in the area did not confirm if there were any casualties.

But residents of the area said they heard gunshots which were traced to the scene where they saw three bodies on the ground.
