BY OKECHUKWU OBETA, Awka

Tragedy struck yesterday at the popular Tarzan junction, Nkpor, a suburb of Onitsha, the commercial nerve of Anambra State when a commercial motorcyclist otherwise called Okada rider was crushed to death by a lorry along the ever-busy Enugu-Onitsha expressway.

The motorcyclist, whose name could not be ascertained, was crushed to death by the lorry when he rammed into it while trying to overtake the ve-

hicle which was carrying a 40 feet container, on high speed and was crushed instantly.

Reacting to the incident, the Unit commander of FRSC, Mr. Sunday Joseph attributed it to over speeding and urged road users to always be conscious of their environment when driving.

In a related development, the Nigeria Security and Civil Defence Corps (NSCDC) in Jigawa State yesterday confirmed that an 80-year-old woman, Yakinini Musa was crushed to death by a moving train while crossing the rail line.
