A ghastly road accident along Sapele/Agbor Road in Delta State has reportedly claimed the lives of five persons.

Eyewitnesses said the incident occurred on Thursday evening when a Dangote trailer driver lost control of his trailer and crashed into the victims who were returning home from a burial ceremony.

The eyewitnesses said the victims were on motorcycles when the trailer driver veered off his course to crush them. Despite several attempts made by different person to stop the driver, he escaped towards Agbor axis.

The police in Umutu were alerted to the incident and they were able to nab the fleeing driver around Onitcha-Ugbo Road via Ekpoma/Abuja Road.

Confirming the incident, the police public relations officer in the state, DSP Celestina Kalu, said the bodies of the victims were later moved to a hospital mortuary in Agbor.
