Accident: Bulldozer Crushes 2 To Death, Injures Several

sola adebayo

— April 10, 2014

Tragedy struck in Effurun, Delta State, on Tuesday evening, when a heavy duty equipment of the state's environmental committee killed two persons and injured several others.

The incident occurred at Water Resources area of Effurun, the headquarters of Uvwie local government area of the state.

The deceased met their untimely death while inside a commercial tricycle which was conveying them to a yet to be ascertained destination.

LEADERSHIP reports that the state government embarked on the beautification of Effurun and Warri lately and a committee headed by the state Deputy Governor, Prof. Amos Utuama was set up to handle the assignment.

The activities of the committee which has been going about with armed soldiers has however been trailed by protests by residents who complained of intimidation and harassment from the soldiers.

Sources told LEADERSHIP that tragedy struck on Tuesday when the driver of one of the bulldozers used for the demolition exercise lost control and hit two commercial tricycles carrying passengers plying the congested route.
