DEATH: 3 Killed In Delta Auto Crash

BY KOLA EKE-OGIUGO, Asaba

Tragedy struck around Alefekede and Abobobi town on the Asaba-Benin expressway when a Toyota Corolla with registration number AA 264 BEN crashed into a stationary truck leaving three out of the six occupants of the vehicle dead, yesterday.

Witnesses said the driver of the Corolla was on high speed when he veered out of his way in an attempt to escape crushing two people crossing the road and crashed into the stationary trailer.

Three of the occupants were said to have bled profusely following the impact of the crash and died before help could come while the driver and two other occupants survived.

When contacted for confirmation of the crash, public relations officer of the Federal Road Safety Corp (FRSC) command in the state, Mr. Julius Bassey who claimed that he was yet to receive the report however said the FRSC officials had been working day and night to ensure the safety of the commuters on the Benin-Asaba expressway.
