An Ilorin Magistrate's court has ordered that a labourer and a security guard be remanded in prison custody for allegedly killing a 75-year-old man, Reuben Olayinka.

The suspects, a labourer, **Isa Mohammed** and a guard, **Ganiyu Kareem** both aged 30, were arraigned by the police on a two-count charge of criminal conspiracy and culpable homicide contrary to sections 97 and 221 of the Penal Code Law.

According to the police first information report (FIR), the suspects criminally conspired and callously hacked Olayinka to death without any cause.

“On August 27, 2014 at about 12:30hours, one Adebayo Jimba of Success Security Guard, **Ika-Alamu, Ilorin** reported at the station that on **August 26, 2014**, at about 22:20hours, he received a telephone call from a member of his staff, Rasheed Sanni, that one Reuben Olayinka has been attacked by one Isa Mohammed and Ganiyu Kareem. He rushed to the place where he met Reuben Olayinka lying in the pool of blood and rushed him to the hospital where he gave up the ghost.

The suspects, however, pleaded not guilty to the charges preferred against them.

The police prosecutor, Sergeant Bilikisu Adu, told the court that investigation into the matter was in progress and opposed the bail of the accused.

The magistrate, Shuaib Salihu, however, ordered that the suspects be remanded at the Oke-Kura Prison, while the case was adjourned till September 24, 2014, for further mention.
