A middle-aged man yesterday was crushed to death by a truck driver while three others sustained severe injuries and are presently receiving treatment at the Saint Gerard Catholic Hospital, Kaduna.

The truck loaded with assorted fruits was moving towards Kaduna south when the driver lost control and rammed into the waiting passengers at the ever busy Kano road bus stop.

Confirming the incident, the Police Public Relations Officer, Kaduna State Police Command, SP Aminu Lawan, said the driver of the truck is already in police custody, while the injured ones are receiving treatment at the hospital.

The PPRO, however, called on traders and commuters, especially at the Kano road junction to always keep away from overcrowded spots and stop intruding into the main road.

On the possible cause of the accident, the police spokesperson, said they are suspecting brake failure or the truck driver was trying to maneuver some traffic jams or sleeping while driving due to tiredness. All these according to SP Lawan are allegations that the police would thoroughly investigate and charge the driver accordingly.
