.....
A ghastly motor accident which occurred along Agbor-Abavo Road, Delta State, in the early hours of yesterday claimed the lives of two persons while 13 others were seriously injured.

Reports said that the two dead persons were among members of Royal Faith Chapel International returning from church activities held in Warri metropolis.

It was gathered that one of the survivors of the accident narrowly escaped death after their vehicle entered into a deep pot-hole and crashed into a thick forest.

Speaking to our correspondent on his sick bed in one of the hospitals in Agbor where those who survived were rushed to, the survivor identified as John said the driver of the 18-seater bus lost control while on top speed.

Police Public Relations Officer in the State, DSP. Celestina Kalu, who confirmed the accident, blamed the it on over-speeding by the driver, adding that survivors of the accident were taken to private hospital in Agbor where they are now receiving treatment.
