## **Police Kill Man, Batter Wife In Imo**

Overzealous policemen at Mgbi-di, Imo State allegedly shot dead a 40-year old man and father of six, James Nduka, from Umunkwu in Oguta LGA of the state.

According to eye witnesses, the trigger-hungry policemen killed Mr Nduka, battered his wife, Mrs Chikailo and subsequently put her in custody.

LEADERSHIP Weekend gathered that the incident started when the deceased's wife saw people running helter-skelter and inquired what the pandemonium was all about before she was accused by one of the policemen of aiding some suspects to run away.

She was later thrown into a waiting van of the police after a serious beating. Efforts by her late husband who rushed to the scene on hearing of his wife's arrest couldn't save her. Rather, he was allegedly shot by one of the policemen.

The state PPRO, Andrew Enwerem confirmed the incident but said it was an accidental discharge from one of the policemen.
