The police in Asaba Delta State have arrested six robbery suspects, killed two others in a gun duel and recovered a 406 peugeot car stolen at gunpoint around Kwale along Ogwashi-Uku expressway.

DSP Celestina Kalu, police public relations officer in the state who confirmed the incident, said the robbery suspects and the stolen car were taken to the police headquarters, adding that the suspects are presently helping the police in their investigations.

It was reliably gathered that the incident happened on Sunday after the robbery suspects, among others, had robbed a bank in Umuenede where they allegedly made away with an undisclosed amount of money.

Speaking further, DSP Kalu said that the robbery suspects engaged the police in a shootout with their AK47s, but that the police killed two of the gang members on the spot while the six others were caught and taken to Ogwashi-Uku police divisional police headquarters before they were transferred to the state CID.

Sources said armed robbery suspects had taken over Ogwashi Uku-Ugheli expressway, where they waylaid unsuspecting travellers and dispossessed them of their belongings.
