A 14-year-old boy in Bauchi State is cooling off in Police custody after he killed an 18-year-old girl after stabbing her on the neck with a scissors.

The Police public relations officer, DSP Haruna Mohammed, in a statement made available to newsmen yesterday in Bauchi said that the suspect has been arrested for prosecution.

According to him, Police detectives attached to township division arrested one Ismael Idris for allegedly stabbing one Ramatu Aminu, female (18) with a scissors, on her neck over minor argument at a bakery. She was rushed to ATBU, Bauchi but later died while receiving treatment.
