Three persons were burnt to death at the weekend in a lone accident that occurred along the Abeokuta – Sagamu expressway.

The accident, which happened at Adedero village in the Obafemi – Owode local government area of Ogun state around 9: 30 Saturday evening involved a Honda car with registration number (LAGOS) AGX 930 BL bearing the three occupants who were all roasted beyond recognition.

The Public Relations Officer (P.R.O) of the Ogun state Traffic Compliant and Enforcement Agency (TRACE), Babatunde Akinbiyi who confirmed the auto crash to journalists in Abeokuta, the state capital explained that one of the tyres of the car in which the victims were travelling burst “on top speed” which made the vehicle to skid off the road and hit a tree before catching fire.

“It was gathered that the car had a burst tyre and since it was moving at a high speed, the driver lost control, the car skidded off the road, moved for almost 150 metres before hitting a tree and burst into flames. All the three occupants in the car were burnt beyond recognition”.

Akinbiyi also stated that the remains of the victims were removed by the rescue team of TRACE and had been deposited at the morgue of the General Hospital, Ijaiye, Abeokuta, the state capital.
