agents must be drafted to such areas to restore sanity."

The prime mover of the motion

tion must be taken. Hon. Yusuf said people need to cultivate good habit in order to compliment government's work.

'Human Heads Used As Football In Mushin'

BY TAIWO OGUNMOLA-OMILANI,

Lagos

Residents of some parts of Mushin area in Lagos have cried out over incessant killings in the area by suspected hoodlums.

Speaking during a protest to the Lagos State House of Assembly, Mr. Abiodun Leshi, who led the residents, revealed

how suspected hoodlums severed the head of a resident of the area and used it to play football on the streets.

He stated that the menace is being experienced in areas such as Taniolodo, Lawani, Ojelawe and others, adding that the people of the areas have been having sleepless nights over the issue.

"We have been facing incessant killings of our people. One Tunde was beheaded and they used his head to play football. Another resident, Sodiq was killed last Friday after Jumat service.

"One Adeolu was also killed recently, we have always been living in fear in the area and we cannot sleep with our two eyes closed, but we felt we should see

you to seek a permanent solution to the problem," he said.

Mr. Leshi said further that some of the residents of the area have relocated to Ikorodu area of the state out of fear, while some have developed hypertension and some have died in the process, and called for the support of the lawmakers over the issue.
