Navy personnel have killed four suspected vandals tampering with NNPC pipeline near the Atlas Cove, Lagos.

LEADERSHIP gathered that some vandals had earlier shot two navy personnel which provoked the anger of the military men.

The navy personnel were said to have waylaid the vandals and allowed them to begin operation before shooting dead four of them on Thursday.

One of the deceased, identified as Afeez, a.k.a Skendo, was said to be a generator mechanic who wanted quick money for Christmas.

Afeez who resided at Alafua street, in Ajegunle, was described as a very hard working mechanic. People who knew him wondered why he should involve himself in such national sabotage.

His father was said to have been disappointed in him, saying he made sure his son learnt a handiwork that could feed him for life.
