KILLING: Ex- NULGE Scribe Allegedly Killed By Security Agents

BY MOHAMMED ISMAIL, Yola

Some security agents including vigilante operatives have allegedly opened fire on a former secretary general of National Union of Local Government Employees, NULGE Jada Local Government, Mallam Abubakar Salihu, resulting to his death.

An eyewitness further claimed that the slain NULGE scribe was returning from his farm on his motorcycle last week Wednesday along Kojoli town of Jada Local government and was stopped at a road block by the joint patrol team but allegedly failed to stop which prompted the shooting.

Confirming the incident state chairman of the Union (NULGE), Mallam Muhammadu Hamman Jumba, told journalists in a telephone chat that late Salihu was allegedly shot, following his refusal to stop at security checkpoint for scrutiny.

Efforts to get clarifications from police authorities proved abortive as several calls put to the PPRO Adamawa State Police command, DSP Othman Abubakar could not connect.
