The Police in Kebbi are investigating the murder of a housewife and her three year-old daughter in Dole Kaina village of Dandi local government area of Kebbi State.

The Police Public Relations Officer, DSP Nafiu Abubakar confirmed this to LEADERSHIP Friday yesterday in Birnin Kebbi.

According to him, the housewife, Balkisu Zayyanu 27 and her 3-year-old daughter, Hadiza Zayyanu were found dead on Saturday by her husband, Malan Zayyanu in his house after he came back from a trip.

“” The housewife and her daughter were found killed by known killers in her house when her husband was away on a trip to Tsamiya village.

“” When the husband Malan Zayyanu returned on the night of Friday, very late in the night he decided not to disturb their sleep and allowed till the following morning of Saturday to make his presence known to them.

So in the morning he called her several times open the door for him but there was no answer. Finally he broke open the door just to find his wife laying in pool of blood alongside her 7 year old daughter also killed “”, he said.

DSP Nafiu Abubakar described the incident as unfortunate but emphasized that the police in Kebbi were doing their best to fish out the criminals and bring them to justice.

According to him, no arrest was made yet but investigation was going on to arrest the killers and bring them to book.

“” Its really very sad and condemnable act, the matter is being investigated to arrest the killers and find out their motive of killing these innocent souls “”, he lamented.
