The Adamawa State police command has killed one suspected kidnapper and rescued two persons as well as recovered handsets,

chains and charms from criminals.

The police in a statement, further reiterated the command's renewed commitment to enhance proactive strategies. It said that its operatives attached

to Toungo Divisional Police Headquarters, in a joint operation with hunters destroyed a criminal network in parts of Toungo and Gashaka local government areas of Adamawa and Taraba states,

respectively.

One of the kidnappers was neutralised when they arrived at a point to receive N2,000,000 ransom demanded from the relatives of the kidnapped victims before freeing them.
