

Gunmen Kill 2 In Plateau Village

BY ACHOR ABIMAJE, JOS

1 The chairman of Riyom local government area, Mafeng Gwallson has confirmed the killing of two persons by unknown gunmen along Riyom-Kum Road in Riyom LGA of Plateau State.

According to him, he is saddened by the rising wave of killings across the communities in the local government area by people who are bent on creating crisis among residents.

LEADERSHIP gathered that the attackers invaded the community on Monday leading to the death of one Pam Yakubu and his friend Pam Chungyang near a bridge along Riyom-Kum road on their way home.

2 The attack came a few days after gunmen killed at least six people in separate attacks in some communities in Riyom local government area.

It is unclear who was responsible for the killing, armed attacks have been a primary security threat in Riyom and other parts of the state leading to deaths in recent weeks.

Also speaking on the sad event, the youth leader of Riyom ward, Dalyop Ezekiel expressed deep concern over the killing of two persons and appealed to the government and the security agencies to fish out the criminals and bring them to justice.

He called on the security agencies to move into action and arrest the ugly situation, saying those promoting these dastardly acts must not be allowed to move around freely and anyone found to be fueling the attack must be dealt with.
