

# Plateau Group Confirms 4 Killed In Riyom, Barki Ladi

BY ACHOR ABIMAJE, Jos

Secretary of Berom Youth Moulders (BYM) Barr. Solomon Nwantiri has said suspected militiamen have killed four people in communities in Riyom and Barki Ladi local government areas of Plateau State.

Nwantiri made the disclosure in Jos, the state capital when he spoke on the security situation in the area.

According to him, one person was killed in Barki Ladi while three were killed in Riyom in midnight attacks.

It will be recalled that Mangu LGA too came under attack on Sunday where over 20 people were killed and thousands displaced leading to the imposition of 24 hours curfew by the interim management committee chairman, Hon. Markur Artu.

Meanwhile, the Plateau State chairman of Miyetti Allah Cattle Breeders Association of Nigeria (MACBAN) Muhammad Nuru Abdullahi has accused security personnel of taking side in the lingering crisis between the herders and local farmers.

Abdullahi appealed to the state and federal government to call for a round table dialogue with a view to resolving the age long clash between the herders and the farmers adding that they have been coexisting peacefully for long.
