Few days after a windstorm destroyed several houses in Zauro town of Birnin Kebbi local government area of Kebbi State, a thunderstorm has killed three people and injured six others.

The incident occurred during a heavy downpour in Alle-Kwara in Lailaba district under Argungu local government area of the state.

An eyewitness in the village, Yahaya Danjada Argungu, said the incident occurred on Sunday night when the people were asleep.

He told LEADERSHIP yesterday in Argungu that those who died during the incident had been buried
