Heavy downpours in Katsina State capital have over flooded the Kofar Kaura underpass road constructed by the immediate past Governor Aminu Bello Masari late last year, 2022.

The flood also took away two persons from the neighbourhood town of Sabon Ungwa in Katsina City.

Hamza, a resident of Sabo Ungwa said his teenage friend is one of the victims, and also an 8-year-old was swept away by the flood.

search team went to look for his dead body”.

LEADERSHIP however observed the devastating flood, rised above the channels constructed as a waterway entering people’s houses and shops.

The situation was the same at the Tudun Katsira, Goma area, Sabon Ungwa and Sabo Kasuwa areas inside Katsina town.

Residents of the area are saying the Contractor underestimated the surge of water in the Kofar Kaura area which resulted in the issue being experienced, urging the government to bring engineers to make a survey of the area and find a lasting solution otherwise it will cause a serious challenge in the future.

At the time of this report, there was no comment from the authority concerning the situation.
