The Nigeria Labour Congress (NLC) and the Trade Union Congress (TUC) in Ebonyi State have protested the gruesome murder of a principal and two teachers by gunmen in Nkaleke Achara Community Secondary School, Ojiegbe in Ebonyi local government area.

The union leaders who expressed sadness over the incident called on Governor Francis Nwifuru to direct security agencies to fish out the perpetrators.

In a statement signed by the chairperson of NLC, Prof.

Ogugua Egwu and made available to LEADERSHIP Friday, he said, "on Friday, 13th October, 2023, we lost two teachers, including a principal.

"They were gruesomely murdered in the line of duty at Nkaleke, Ebonyi LGA. We use this medium to ask you to ensure that the security agencies bring the perpetrators to book to serve as a deterrent to other haters of teachers.

"The quality of life of teachers is poor, their work environments are being threatened by the flamboyance of our nationality, and communities no longer support the safety of teachers.
